Eligibility

* indicates a required field

Individuals and organisations can apply for a Project Grant.

All applications for Project Grants must meet the following eligibility criteria to be eligible for funding.

- At least one of the applicants for each Project Grant must be based in Western Australia.
- Applicants must outline a project plan.
- Applications by an organisation must be approved by the lead organisations chief executive officer or an authorised officer of the organisation.
- Applications must include a presentation to the WA ACE Forum in their scope.

The following projects will not be considered eligible for funding:

- Consumer awareness campaigns or advertising.
- Development of commercial products.

Individuals employed by or associated with energy sector participants or governance bodies, including the Australian Energy Market Operator and the Economic Regulation Authority, are not eligible to apply for a Project Grant.

Applicants will be required to declare actual or perceived conflicts of interest as and when they arise.

Academic research without the support of a consumer advocacy organisation and/or member of the Expert Consumer Panel will not be supported.

A maximum grant value of $80,000 (exclusive of GST) will be awarded per application.

Please confirm that you meet the eligibility criteria, that you will upload a project plan and your project is valued at $80,000 (ex GST) or less *
○ I confirm that I / we meet the eligibility criteria, will have a project plan developed prior to lodging the application and the grant is valued at $80,000 or less
○ I'm unsure if I / we meet the eligibility criteria

Declaration

I understand that

- WA ACE Project Grants will be assessed by a panel who make a recommendation to the Minister for Energy.
- A decision made by the Minister in respect of a grant application is final.
- Grant conditions and management protocols will apply to successful projects.
- Energy Policy WA will publish all final outputs (e.g. reports and materials) arising from a grant on its website.
- Funding agreements require all publications relating to the project to carry the following disclaimer:
    - "This project was funded by the Government of Western Australia (Energy Policy WA) as part of its grants process for consumer advocacy projects and research projects for the benefit of consumers of electricity and gas. The views expressed in this document do not necessarily reflect the views of the Government of Western Australia or Energy Policy WA." Note: Confidential information or information impacting privacy will be removed prior to publication.

- Energy Policy WA reserves the right to have a third party assist with the administration of the WA ACE Grants Program.
- All grant agreement information is subject to Freedom of Information provisions.
- That any false or misleading information provided in the application may result in a decision being overturned or the grant funding being revoked.

I have read and understood the declaration and declare that the information given in this Grants application form and all attached documents is complete and correct to the best of my knowledge, information and belief, and if submitting on behalf of an organisation that I am authorised to do so. *
